VISION and PURPOSE

The NCG's vision is for people to understand and appreciate the environment that contributes to the sense of place of the Nepean Peninsula, in order to protect and conserve the amenity and enhance the character of the Nepean Peninsula.

The principal purpose of the NCG is the protection, conservation and enhancement of the environment of the Nepean Peninsula, on the Mornington Peninsula, Victoria, through, but not limited to,

- conserving and promoting significant natural areas
- mitigating vegetation loss
- creating resilient habitat corridors and biolinks for wildlife
- highlighting issues affecting the environment
- promoting ecologically sustainable development principles

MISSION

To lead and inspire the community to appreciate, recognise, conserve, protect and celebrate the environment of the Nepean Peninsula.

STRATEGIC DIRECTIONS AND ACTIONS

- Advocate for the conservation of our environment by engaging with the community and government
- Engage with the traditional owners in caring for the environment
- Foster conservation of the vegetation, wildlife and natural attributes of the area
- Conserve, protect and enhance our environment by championing and supporting exemplary conservation policy and practice
- Maintain the character and amenity of the Nepean Peninsula by ensuring new developments are in harmony with the environment of our area
- Educate and engage the community in discourse about our environment and its contribution to our sense of place and belonging

VALUES

- Independent – operate without fear or favour
- Trustworthy – to be open and transparent in our work on behalf of the community which we serve
- Inspirational – awaken awareness and garner inter-generational support: conservation is our bridge to the future

ROLE

- To be an innovative, effective and respected conservation group
- To fulfill our obligations with diligence and determination
- To remain a strong independent voice for conservation on the Nepean Peninsula

Acknowledgement of Traditional Custodians

The NCG Inc acknowledges the traditional owners of the land upon which we meet and work: the Bunurong people. We acknowledge their custodianship over eons, over lands never ceded and their continuing care of country, sea and sky. We pay our respects to their elders past and present.
